Dear Dr. Lederberg:

I have been able to rearrange my schedule so that I plan to attend the meeting of the NCAB on January 21-23, 1980. Are you planning a meeting of the Panel sometime during that meeting?

Sincerely yours,

Bernard Fisher, M.D.
Professor of Surgery

I am delighted to hear this. The panel will meet at 1pm (to ~ 4?) on Jan. 23. You are ex officio and de facto welcome to attend the NCAB as well.

Looking forward to seeing you,

Joshua
